Jane Weatherwax

May 10th, 2008

Jane Weatherwax offered an opportunity to ride with an FEI "I" judge for this schooling show! . The "I" judge may go anywhere in the world and judge all competitions except the Olympics and the World Equestrian Games. She recently had the honor of judging the Pan American Games held in Rio de Janeiro, Brazil. She can now add Woodbridge Farms to her judging experiences!!!! We were so happy to have her to encourage our riders in Sonoma County!

Jane is fairly new to Sonoma County, although not new to the Dressage world.

Her foundations in dressage began while living in Europe. Over the years her training and competing experiences include horses through FEI levels including Grand Prix.

Woodbridge Farm is pleased to have Jane Clinic at our facility on Thursdays.

If you are interested in participating, please let us know!
